Candidate - Club Growth Director

## **CANDIDATE'S STATEMENT FOR CLUB GROWTH DIRECTOR 2024/2025**

**NAME:** Michael Piotrowski DTM

### **CANDIDATE'S STATEMENT:**

Why should you vote for me as Club Growth Director for 2024/2025?

During my time in Toastmasters, I have dedicated myself to assisting the District's membership retention and growth. As a current and past member of 9 different clubs throughout my time with Toastmasters, I am aware of many varied ways clubs operate. As a Club Coach post-pandemic, I recognize that challenges that clubs are currently facing and have been working to share various strategies to overcome these challenges with members and clubs as both an Area Director and via TLI Training Group's workshops.

The future of the District relies on membership retention and rebuilding our ability to build new clubs. If elected, my primary focus will be to develop strategies and programs with the District team not only to build new clubs, but to sow seeds for the District to rebuild itself by promoting, educating and supporting our members with membership retention and building new clubs across the District.

Together as a dedicated team we can rebuild our District.
