District 17 District Director Report

Annual DCM May 2024

May 2024

Welcome

Welcome to our 2023 2024 District 17 Conference. “Staged for Success.” It has been 4 years since we met face to face to celebrate the best in the West. This weekend let the show entertain and educate you.

Please join me in extending the warmest welcome to our International President Morag Mathieson. I have had the pleasure of working with her since 2014 as a member of her team. She is a truly inspirational leader, and I urge you to build upon her visit to Perth for our Annual District 17 Conference “Staged for Success”, to encourage and support our current members to grow clubs and membership.

Challenges and Opportunities

The beginning of the District year presented challenges, but also opportunities to improve club health and numbers. Sadly, not all clubs are still active, and I acknowledge and appreciate the amount of effort and time needed for these clubs. The dedication of these members is inspirational. Today we have still a lot of work as we support clubs to success.

For the first time in several years, we had an almost full District Leadership team. Finding the last two Area Directors was problematic throughout the year, but I am excited that the next District Director will have the chance to lead a full team. It relies heavily upon you, as leaders of clubs, to stand up and accept the many opportunities to lead.

Some clubs found it difficult to engage a club leadership team, and club elections were not successful. The result, of course, was diminishing member numbers and struggling clubs. This is not a complaint, but a lesson learned to improve in the coming year. Two simple steps can commence the recovery process: paying fees on time and submitting club officer lists on time. These are easy benchmarks to meet and can help clubs recover and succeed. Now is the time to hold elections at club level and record the results at TI. Elections and club officer lists enhances the opportunity for imminent success.

Exciting Times Ahead

These are exciting times ahead. I remember when the district was at this number of clubs, Areas, and Divisions. We grew to 6 Divisions and almost 100 clubs. We can do that again. I know we have the leaders (You) in the district to make all clubs in D17 successful.

Pathways has always been challenging, but it is changing. Get on board, get the most out of Pathways, get the most out of Toastmasters. I believe in life you can only get out what you put in. Sow the wrong seed, reap the less valuable outcome. In 2023, we elected a District leadership team that is here for the long haul, committed to four or five years of personal growth development and a belief in the future of District 17. The need to step up and jump beyond the next learning position is hopefully behind us.

I look forward with confidence that the new team will remain healthy and continue building the district. It may take several years, but we will prevail.

Recent and Upcoming events

Trivia night, Sunday 21 April. Thank you for your support at the Trivia night, it was a tremendous twist on the usual quiz night, I hope you enjoyed it as much as I did. Congratulations and commendations to the organising committee.

“Staged for Success” D17 Annual Conference 17-19 May. It will be a fantastic and somewhat different conference in a precinct instead of one venue. The best speakers in the District plus our International President as the keynote speaker, truly inspirational. Staged for Success conference hosted by Toasting Human Energy, can you believe we are there already. Thank you to the team who have put this wonderful event in action.

Annual awards night and changeover dinner Friday 2 August, Holiday Inn, Perth. This year we will present the awards for both the 2022-2023 and 2023-2024 Toastmaster years. Two for the price of one, twice the value, twice the recognition. Ensure your club is recognised by becoming a Distinguished club.

Conclusion

Members, I submit my report. Thank you for your dedication and support.

After a demo meeting at DCM Australia, the sponsors deemed it not feasible to start a club there.

There has not been enough interest to start a club in Karratha.

The inquiry from Rio Tinto has not led to further interest.

There is an ongoing interest in starting a club at WestCef.

There is a new opportunity after an enquiry from South32.

Growth Strategy

CGD has developed a District Market Analysis and a District Marketing Plan.

Toastmasters International has asked District 17 to develop a District Growth Plan and appointed past Region Advisor Kaylene Ledger as District Coach.

CGD with assistance from District Management has developed a District Growth Plan

Forecast

The Mid-Year Low level goal for this year to end with 53 clubs (no net loss) will not be met.

District Club Realignment

The attached Realignment Plan shows the proposed realignment of clubs for the 2024-2025 Toastmasters year.

Many factors were taken into account developing the realignment plan, including:

- Geographical proximity;
- Club strength;
- Area/Division Strength;
- Number of available district leaders;

The CGD would like to thank everyone for providing feedback on the different versions of the Realignment Plan.

DISTRICT EXECUTIVE | ADMINISTRATION MANAGER

Administration Goals Progress

In the second half of the Toastmaster year the focus has been on:

- Liaising with the D17 Conference committee
- Key use of admin tools
 - Campaign Monitor - used the NEW SMS option to promote key events, used AI feature to design more engaging communications to promote Conference / Trivia Night
 - Zoom Calendar bookings - added directly in calendar invites has most impact, many misplace email notifications and struggle to find on the day
 - Google Docs - established naming convention for meeting files
 - Compiling the District Executive Committee Meeting (DECM) report
- Preparing documentation and invites for the District Council Meeting (DCM)
- Assisting Credentials Committee Chair with testing new voting tool, Votapex

Administration Manager Challenges, Issues and Solutions

For the next Admin Manager I will recommend a process for connecting officers to their previous report so it's quick and easy for them to update for each DECM / DCM. In the lead-up to this meeting there have been competing challenges on the personal / professional and Conference committee level. I admire those who juggle these demands so well. Key opportunities I have identified for improvement as the Toastmaster year concludes.

- Developing a survey tool to help ADs complete/submit their reports
- Reviewing District 17 Procedures Handbook
- Pre-preparing meeting notifications in Campaign Monitor
- Pre-preparing event invites with zoom links in Google calendar
- Developing an admin educational for Division and Area Directors
- Assisting credential committee chair educate members on use of Votapex

Summary

The Administration Manager role has been eye-opening. I have learnt how to use new communication tools, found the AI functions helped streamline some of the message development, and came to better understand the challenges with engaging a busy leadership team. I appreciate the support I have had from the District Trio, especially Tom Bielski in his dual role as Website master. I look forward to helping coach and support the next Administration Manager, it can be a very rewarding role.

DISTRICT EXECUTIVE | IMMEDIATE PAST

DISTRICT DIRECTOR

Reflecting on the year as the Immediate Past District Director (IPDD), I can see that the District Leadership team tried very hard to achieve the goals that they set for themselves and that were set for them, and they certainly faced a huge number of unexpected challenges along the way. The District is still facing challenging times and Toastmasters International is recognising this by offering additional support for the District.

As the IPDD, I have tried to be available as a resource rather than 'directing' the new District Team.

The role of the District Leadership Committee was both easy and challenging, and the DLC Report demonstrates some of the challenges that in my opinion the District faces. The DLC Report shows that for some elected roles, multiple members put their hands up, something that has not been seen for a number of years but for other roles it was the opposite.

Food for thought is that we see some Clubs showing growth and potential but other Clubs are still struggling, and filling the key roles of Division Directors and Area Directors will be a challenge for the incoming team.
