REPORTS | CLUB ALIGNMENT

Background to Proposed District 17 Alignment for 2022/23.

With the impact of COVID on clubs over the last two years, there have been a few clubs that have chosen to close, a reduction in the number of members and member willing to take on District Officer roles. Taking these factors into consideration, the District Alignment Committee considered several Division and Area configurations, with the proposal to reduce the number of Division to four endorsed at the last DECM.

Several iterations of a four Division alignment were considered with the proposed alignment being endorsed by the Committee.

The naming of the Divisions is based on the previous convention used when the District had four Divisions and they are Central, Eastern, Southern and Northern.

The benefit for the District in reducing the number of Divisions is a reduction in the number of Division Directors and Area Directors that will be required. While the impact on individual clubs should be minimal.

In terms of Speech Contests, it is expected that the District will decide that two contestants from each Division will move forward to the District finals resulting in eight contestants in each contest.

Toastmaster International has several requirements related to preparing District alignments (key requirements listed below) and the Committee has considered these and the input for the Division Directors and their teams in prepared the proposed alignment. We understand that we are not going to please everyone, but we are confident going that this alignment will be the best for the District in 2022/23.

Toastmasters International Alignment Requirements

Toastmasters International has various requirements that need to be taken into consideration for the alignment of clubs within a District. Some requirements are mandatory while others are factors that need to be considered to develop the alignment that suits most clubs, members, and District Officers. The key requirements are as follows:

- At least three Areas per Division.
 - No fewer than four clubs and no more than six per Area.
 - Geographic proximity to other clubs.
 - Area Director to effectively provide service, without requiring clubs to make changes to accommodate Area Director visits.
 - Club size and strength.

DISTRICT EXECUTIVE | CLUB GROWTH DIRECTOR

Introduction

We are in the middle of the March renewals period at the time of preparation of this report so information below is an estimate of the outcome, though currently a significant number of members have not yet renewed or clubs paid the renewals. A clearer picture will be known at the meeting, though as reported at the previous DECM, a number of clubs had indicated that they have members who will not be renewing, and this could mean that the club may decide not to continue.

COVID restrictions on terms of venue limits, vaccination requirements and online/hybrid club meetings have impacted on the ability of clubs to attract guests and convert them to members, as well as members electing not to attend meetings and to indicate that they do not intend to renew their membership. This has been an issue for the year to date in differing levels and is likely to continue for the remainder of the year.

Club Composition & Strengths

The following table shows the District and Division composition, membership numbers and club strengths as they currently stand.

	Members		Total No of Paid Clubs		Club Strength				
					Suspended	Ineligible	Low	Under strength	Charter +
	Base	Current	Base	Current	Current	Current	Current	Current	Current
Central	213	202	14	12	1	1	1	7	4
Eastern	187	183	13	12	0	0	1	8	3
Inner City	186	180	14	12	1	1	0	10	2
Northern	186	217	13	13	1	0	0	9	4
Southern	240	222	14	13	1	1	0	7	6
Western	206	213	15	14	0	1	0	12	2
Total	1218	1217	83	76	4	4	2	53	21
								74	

Notes

We commenced the year with a base of 82 clubs and with the revitalisation of 235 Toastmasters club, this has increased to 83 clubs.

Member numbers

We currently have 1,217 members including multiple club members separately for all their clubs, but this number will drop with the March renewals. Interestingly, our member number is almost the same as when we commenced the year indicating that the number of new members has effectively equaled the number of lost members, when we had been hoping for an increase in members numbers.

Hopefully we can grow member numbers during the remainder of the year to offset the number that we lose at the March renewals.

Paid Clubs

The number of Paid Clubs is currently 76 clubs against a base of 83, which is a significant decline but an improvement since the last DECM Report when we had 74 paid clubs. In addition, the number of Charter Strength clubs has dropped from 22 to 21. Both these numbers have increased since the December DECM but the March renewals will give a better picture of how we are likely to finish the year.

Corporate club, 235 Toastmasters club had been suspended, primarily due to them struggling to meet during COVID but with some great work from Leonor Ragan, they have been removed from suspension and Leonor is working with them to rebuild their numbers. Thanks to Leonor for this great effort. This increases our base from 82 clubs to 83 clubs.

The following clubs have recently elected to dissolve or decided to late last year, but they were included in our list of clubs at the start of the year, most of these clubs show as either Suspended or Ineligible:

1. Armadale (Ineligible)
2. Electrical Toasters (Ineligible)
3. Energy Club (Suspended)
4. Geraldton (Suspended)
5. Gosnell Foothills (Suspended)
6. Meeting Procedures (Suspended)
7. Stanley College (Ineligible)
8. Subiaco Early Birds
9. Terrace
10. Gourmet Guns N Roses

In addition, there are other clubs with very low numbers, who are at risk of potentially failing, and we have been working with these clubs to assist them to build their membership strength. With the following clubs being of particular concern due to low member numbers, though they have been actively working to increase numbers:

1. Dynamic Speakers – 1 member
2. Central Communicators – 7 members
3. Masters of Mentoring – 5 members

On a positive note, we are working to establish a number of new clubs and some of these hopefully will charter by the end of the year, though they have been experiencing the same COVID impact these prospective clubs include:

- Synergy Corporate Club
- PTA/DMR Corporate Club
- Off The Cuff

We are also working on some leads including the following:

- Amazon Corporate Club
- Energy Club with Society of Petroleum Engineers

District Success Plan Status

The District Trio produced a comprehensive District Success Plan, which was approved at the District Council meeting. In terms of the goals related to Club Growth, the table below shows the current status against these two goals.

	Base	Current
Paid Clubs	83	76
Payments	2773	1379

Membership Payments

The October & March renewals are key points for membership numbers and club strength within the District and in October, there were a large number of members who did not renew, either with any club or reduced the number of clubs that they are members of.

Using the TI forecasting tool, in order to achieve Distinguished District, we would want to have 2,305 membership payments at the end of March and we currently have 1,643 payments (at 21 March) though this will increase by the end of March, it is unlikely that we will achieve Distinguished.

The big challenges for the remainder of the year will be grow membership numbers for existing clubs and to find resources within the District to support clubs in meeting this challenge.

Vision & District Success Plan

We have used the Club Officer Training platform to communicate our District Vision. It is important to communicate our vision with our members to align our vision with the club's own goals and vision.

The general Western Australian community will be aware of the District and Toastmasters and know us as a place to go to improve their communication and leadership skills. The District will have established a strong base of thriving clubs, generating members who want to be in and compete for all leadership roles.

The key focus on our Success Plan is to ensure we meet our membership goals.

We are currently behind our goal in this area and we need to prioritise our resources to this.

To date we have received 2,077 payments. The same time last year we were sitting with 2,374 payments.

District Officers

We are still working on finding a replacement for the Black Swan Editor.

Contests

From Saturday 19 March 2022 all contests for Area, Division and District shifted to online format only. This move was taken due to the Covid situation the Western Australia Community.

With the uncertainty of venue booking, contestants and officials being able to participate the move for the contests moving online it will maximise the opportunity for all to participate.

Membership Renewal

With the Western Australian Community opening of the State Borders Covid and Mandatory Vaccination Status it will have a material impact with members renewals and may effect the clubs status in staying in good standing.

We will be communicating with the clubs and remind the clubs and members to renew their Toastmaster Memberships.

We have been actively promoting clubs to conduct Open House, Anniversary Meeting or Speechcraft Program it is great to see clubs taking on the important steps to recruit new members into their clubs.

The Talk Up Toastmasters Campaign has now started and ends on 31 March.

- Simply add 5 new members (duel or reinstated are also included in this count) during this period and your club will
- be rewarded with a Ribbon from Toastmasters International that you can proudly display on your Club Banner.
- Receive 10% discount on your next club order for merchandise purchased through Toastmasters International

Toastmasters International have a new award for this program year.

1. District Club Strength Award.

- This award looks at membership growth differently by focusing on the average number of members per club. When the District's average club size increases by 10% or more, we will be awarded the District Club Strength Award.
- At the start of January, we had an average of 15.53 members per club. If we can reach the goal of 17.08 member average will win this award for the District.

District Conference

District 17 Trio are working with the Conference Chair and are working through the logistics for the 2021-2022 Conference.

The Humorous Speech & Evaluation Speech Contests will on Zoom on 15 May 2022.

Club Officer Training	It is encouraging that all clubs in Eastern Division (except 2 Clubs Curtin Toastmasters & Heritage Towns Toastmasters Club) have 4 or more officers who attended COT in February 2022.																																																																																																															
Contact with Area Directors	Currently Eastern Division Leadership Team includes myself and Area Director E-11 & E-12. Area Director E13 role is still vacant, and I am performing this role too. In the absence of Area Director E13, I am trying my best to personally visit and support clubs in Area E13. The contact with Carole Bruce Area-E-11 has been very effective and she is proactive. Carole has already submitted her Area E-11 clubs visit report. However, I am trying my best to communicate with Area Director E-12 and E-13 club presidents to get update on club contests.																																																																																																															
Contests	Currently clubs International Speech & Evaluation Speech contests for E-11, E-12 and E-13 are in progress. In my Area E-13 club contests are already scheduled for Heritage Town Toastmasters (Date:28/02/2022), Mundaring Toastmasters (Date: 02/03/2022) and Speak Easy Ellenbrook (Date: 09/03/2022). I am coordinating with Area Directors for Area Contests and will soon be giving schedule for Eastern Division Contests date and venue.																																																																																																															
Clubs	Victoria Park is arranging open house meeting event on 14 March 2022 to expand its membership growth. Touch of Gold, Sunday Sundowners, Cannington Communicators & Curtin Toastmasters too have done very well to increase their membership. Currently, Swan Toastmasters, Cannington Communicators, and Heritage Toastmasters are at their base membership level. The two advanced clubs Masters of Mentoring and WA Bureau Speakers has less than 9 members.																																																																																																															
New Clubs	Due to COVID limitations and uncertain circumstance, it is challenging to retain existing clubs. However, we are looking for any opportunity to create new clubs.																																																																																																															
Successors for Director Roles	Potential names were provided to selection committee. I will be discussing with my Area Directors and club president for seeking interest in further nominations.

DIVISION | SOUTHERN

Division:	Southern	Date:	19-3-2022

Educational Awards	23 Awards		Canning Vale			
	21 Awards		Piara Waters			
	14 Awards		Murdoch Southsiders			
	8 Awards		Southern River, Jetty			
	6 Awards		Byford, Applecross			
	5 Awards		CIL, Kenwick			
	4 Awards		Willetton, Donnybrook Gourmet			
	2 Awards		Bunbury			
	0 Awards		Mandjar			
	Almost every club in the Division has managed to submit multiple awards, which is great to see. Mandjar submitting no awards is a concern.					
Membership	Area	Club	Base	Last Report	Current	Growth
	S31	Southern River	13	13	14	+1
		CIL	19	11	11	0
		Piara Waters	21	18	18	0
		Byford	18	20	20	0

	S33	Bunbury	15	17	17	0
		Mandjar	15	20	20	0
		Jetty	13	19	20	+1
		Donnybrook Gourmet	13	13	13	0
	No major changes since the last DECM report, the March renewals have not yet occurred (as of writing this report) which will provide a clear update on where clubs in the Division stand with membership.					
Distinguished Club Program Goals	10 DCP		Canning Vale			
	9 DCP		Piara Waters, Murdoch Southsiders			
	7 DCP		Jetty			
	6 DCP		Southern River			
	5 DCP		CIL			
	4 DCP		Byford, Willetton, Kenwick			
	3 DCP		Applecross, Bunbury, Mandjar, Donnybrook Gourmet			
	Several clubs already have enough DCP for at least Distinguished status which is a great sign, I would encourage all clubs in the Division to aim for at least 5 DCP as I believe every club in the Division can reach it by June 30. It is probable that S32 will finish the year Distinguished or Select Distinguished, the other areas and the Division will not reach Distinguished.					

Club Officer Training	6 officers trained (2 nd round)	Southern River, Willetton, Jetty, Donnybrook Gourmet
	5 officers trained (2 nd round)	Piara Waters, Byford, Murdoch Southsiders, Canning Vale, Kenwick, Bunbury
	4 officers trained (2 nd round)	CIL
	0 officers trained (2 nd round)	Applecross, Mandjar
	<p>Total attendance at COT from Southern is 64%. All clubs that had at least 4 officers attend training in the 1st round had at least 4 officers in the second round too, and it's encouraging to see the majority of clubs go above this minimum requirement.</p> <p>Applecross and Mandjar had no officers attend the second round of training. This is concerning as Applecross is still trying to rebuild membership while Mandjar had no officers attend the 1st round of training either.</p>	
Contact with Area Directors	Regular contact is being maintained with Area Directors.	
Contests	<p>The Division contest will be held online on the 10th April, starting at 2pm. All Area contests will be held online. Contest dates are:</p> <p>S31 – 31st March S32 – 21st March S33 – 27th March</p>	
Clubs	Clubs eligible for a coach are CIL & Kenwick, although this may increase after renewals. CIL have indicated that they may not be in good standing after March.	
New Clubs	No new clubs are expected to be charted in the Division before the end of the year.	
Successors for Director Roles	David Mazzotti from Murdoch Southsiders has expressed interest in an Area Director role next year. No other leads at this time.

DIVISION | WESTERN

Division:	Western	Date:	23 March 2022
------------------	---------	--------------	---------------

Educational Awards	Overall, progress appears to be somewhat slow over the Division as a whole.
Membership	Membership is an issue in most clubs in the Division. Have suggested to the Area Directors they support and encourage clubs to focus on membership growth
Distinguished Club Program Goals	<p>Area W51: UWA (College Row) just needs new members to achieve President's Distinguished. Suggested various activities to promote/get new members</p> <p>Area W52: Fremantle Gateway achieved 10 goals. The other clubs appear to be struggling to meet DCP goals.</p> <p>Area W53: 4 clubs making good progress with DCP goals.</p>
Club Officer Training	3 clubs in the Division did not have minimum number of club officers trained in 2 nd round of training.
Contact with Area Directors	Zoom meetings with Area Directors prior to DECM discussing plans and updates on progress with Area contests. Updated Area Directors after DECM by email.
Contests	Area W53 contest held on 16 March F2F & asked to take on a role. Well organised and great speeches and evaluations from both experienced and less experienced members. Area W52 contest is online on 24 March & I'll be in attendance. Area W51 online on 25 March. Division Contest online on 2 April, starting 1.00pm. In process of obtaining helpers; good support from my home club TLI.
Clubs	<p>Area W51:UWA (College Row) celebrating 5th anniversary on 22 March. Gourmet Guns 'n' Roses struggling; Dynamic Speakers in abeyance, plan to run Speechcraft.</p> <p>Area W52: Aspiring Leaders now with 8 members.</p>
New Clubs	No plans for new clubs in the Division as focus is on building and strengthening existing clubs.
Successors for Director Roles	Area Directors Nataly Fernandez; Christina Ng.

Other Information or Comments

Club Name	Notes/Issues
Osborne Park Toastmasters	Club VPE requested a presentation on Pathways for their members. They were encouraged to attend the COT Rnd 2 Pathways workshops/presentations on Zoom taking place at the time of their enquiry. Request referred to Julie Dall and Julie duly presented a session at their club and I received feedback from VPE that the session was most helpful.

West End Toastmasters	No interest from eligible members to participate in contest.
Mount Hawthorn	Held the Evaluation contest and invited Area Director to be Chief Judge. Mount Hawthorn is holding in person and online meetings.
Sandgroper Toastmasters	Club promotes meetings on District 17 FB page. Members agreed that proof of vaccination required to attend club meetings. The meeting arrangements are working well for the club.
Stirling Club	Vaccination status has caused some issues with attendances. Club is doing hybrid meetings to try to accommodate those not wishing to attend in person. However, Hybrid does not necessarily suit everyone. Result is low turnout at recent meetings. A number of members not renewing due to various reasons (not Covid related) and membership is expected to drop below 20.

Lessons Learned from Contests

(Please provide any feedback / lessons learned from your contests)

A step-by-step guide + checklist that is shared openly on the District 17 website would be highly beneficial. There is currently no resource available online, hence the procedure for setting up contests at the Club+Area level can be very daunting for those who have never run contests before. It's fantastic to see resources like "Contest Chair Script" and "Contest Certificates" posted online, however guides like "Sample Agenda" and "Contest To-dos / Checklist" are missing and would be useful in supporting club contest organisers + ensuring a consistent standard is held throughout the District.

Victoria Quay	New COs have great enthusiasm for reviving the club, including getting all members onto Pathways. Support from the District is highly recommended

All clubs have been impacted by the recent developments of Covid-19 within the community. However, it's promising to see that members from every club in the Area are supporting each other and trying their best to maintain a positive morale during such a challenging time.
