

Graham Watson DTM
Candidate: Southern Division Director

My Toastmasters journey started at Rainbow Nation Toastmasters in Vereeniging Johannesburg, South Africa, in February of 2007. During my time in Africa, I served as VPM, VPPR and then President. After this, I became Area Governor for a group of prison clubs.

I moved to Australia in 2012 and joined Canningvale Toastmasters and then Southern River. I been actively involved at Southern River since then my home club, where I have been an active member on the executive committee for many years – serving in the President, VPE, VPM, and SAA roles.

During the 2016-2017 year I served as an Area Director for S34.

I am passionate about Toastmasters since the day that I have joined. I enjoy seeing others discover Toastmasters making a difference in their life.

I am standing as Division Director for Southern Division to continue my journey as a leader and to give me the opportunity to help and support the Area Directors and clubs in this division.

I think 2020/21 will be a challenging year for District 17 and the wider Toastmaster community and I think my experience and skills will serve the District well. Looking forward to your support for my candidacy.
