A journey of possibilities and achievement

Pathways features interactive content, engaging videos, skill-building activities and projects, and powerful tools for tracking your progress and growth.

Exciting enhancements coupled with the structure you know

The biggest changes you'll experience with Pathways are the opportunities to grow more skills and master new competencies. You can still expect the same support from your club members and the familiar structure of your club. View the comparison below to see the similarities and learn more about the additional benefits of Pathways:
