

## WHERE LEADERS ARE MADE

### District 17 Division Director Report

#### Central Division - April 2018

##### **Educational Awards**

It is encouraging to see that 3 clubs have already submitted awards for Pathways levels. 12 of the 24 clubs have submitted at least 1 educational award. Persuasive speakers have taken the lead with 5 and City of Perth is slightly behind with 4 educational awards.

##### **Membership**

A total of 96 new members were added to central in the 9 months from July 2017 to March 2018, but many more members have been lost in the same period. 14 of the clubs had a base membership of 20 or more in Jun 2017. At the moment only bToasty Perth has 20+ paid members. All but 5 clubs have paid their minimum of 8 renewals and 2 of these have notified me that their payments will be late but will be made soon. Rising Stars is the only club to have increased their membership by 5 or more. On average club membership have dropped by 6. Membership is the major concern for the next 3 months

##### **DCP Goals**

2 Clubs have already met the criteria to be distinguished and another 4 only need a few extra members. If the membership goals can be met then up to 13 club could become distinguished, but this does not seem very likely at this stage. About a third of the clubs in Central do not participate in the DCP program.

##### **Club Officer Training**

90 out of a possible 168 club officers attend the 1st training and 74 attended the 2nd training. Only 3 clubs didn't have anyone trained at any of the sessions.

##### **Contact with Area Directors**

I have regular catch-up's with 4 of my 5 area directors. We try to do as much as possible using email and text messages as it is difficult to find times and venues that suit all of us for meeting in person. I am grateful to them for the efforts they are putting into helping their clubs to remain motivated.

##### **Contests**

All the area contests have been completed and the division contest will be on 7 April 2018. I want to give special thank to Dan Beeston who organised not just his own area C5, but also the C4 contest. We only has 1 competitor per area in the international contest and 2 each for the evaluation contest, so took this opportunity to have 4 contest at the same time and place

using the same judges. This worked very well and is something we should do again when only 1 or 2 clubs in an area participate in the contests.

### **Clubs**

There are a number of fragile clubs in central. The 2 biggest worries at the moment is Shell and Central communicators .Karratha was on the edge but have found a new determination. WA Speakers Bureau has also take a new direction. Electric Toasters have dropped from 22 members to 9, but still have some experience members to help carry the club.

### **New Clubs**

There are no clubs in the pipeline at the moment. Persuasive Speakers chartered in this year and is still going strong.

### **Successors for Director Roles**

Nominations for all roles have been completed

### **Other Information/Comments**

So much effort is put into running the 2 rounds of contests that most clubs in Central do not seem to have the energy to put into membership and PR campaigns. Because most of the clubs have 15 or fewer members, most club meetings have possibly 6 members attending. When you double up on roles too often and have to do multiple club officer roles too then the danger of burnout becomes very real. We need to find ways to support willing helpers without piling too much on them.

### Club Officer Training

13 out of 25 clubs had at least 24 club officers trained. This is just over 50%. I think this number can be improved and 70%-80% will be an ideal number.

### Contact with Area Directors

I went to all area contests except N22 and spoke to all area directors informally. They were all busy with organizing the area contests recently and I will need to remind them about their area visit reports.

## **Contests**

Much efforts were put into organizing the contests by the Area Directors and the Division Director.

All 2017 – 2018 Northern Division contests were completed, and all winners were announced.

All the contest went well.

## **Clubs**

80% of the clubs had a minimum 8 payments made. The following clubs did not meet the requirement:

- Talkabout Club
- Water Corporation Club
- Highgate Toastmasters
- Gourmet Guns n Roses
- UWA College Row Toastmasters

## **New Clubs**

NA

## **Successors for Director Roles**

Nomination is closed.

<b>N24</b>	Tuesday, 6 March 2018

#### District Convention Attendance

None of the Area Director is attending the full convention other than Gavin, who is still deciding.

#### District Re-alignment

Mark sought recommendations from Area Directors and the recommendations will be sent to the Chair, Ian Pickens.

#### Miscellaneous

Mark asked the area directors what is the club in their areas that needs the most attention and the followings are the responses and the discussions occurred around them:

- Area N22: UWA College Row Toastmasters

- Mark Z will lead the promotion for the club during the orientation period of St. George's College next year, he will also be back to the club in January after his interpreting course.
- Area N23: Talkabout Toastmasters
  - Gary has decided that Talkabout will host the upcoming area contest, this is a good marketing opportunity for the club.
- Area N24: Highgate Toastmasters
  - Mark will visit the club early next year so that he can have a sense of the club.
- Area N25: Competitive Speakers
  - The club has a newly elected President and the president is in charge of the strategic directions of the club, including the meeting venue, club name and whether the club should stay as an advanced club or switch to a standard club; Gary Goh suggested that the District can provide members with a list of advanced clubs so that members' demand can be catered appropriately. Furthermore, Subiaco is a highly saturated area for Toastmasters clubs, Competitive Speakers is still deciding whether they should move to another suburb.

### **Next Meeting**

The Area Directors and the Northern Division Director will reconvene in late January.

## WHERE LEADERS ARE MADE

### District 17 Division Director Report

**Southern Division- 18<sup>h</sup> March 2018**

#### **Educational Awards**

All the clubs are trying hard to register in the education awards. Now with pathways in as well

The clubs are scheduling speeches for both the old and new system.

I have encourage the Areas to still carry on advising members with ticking off the CL manuals

Till May 2020.

#### **Membership**

Many clubs are trying hard to promote Pathways to encourage new guests to be members.

Will know about the renewals only after end of month. The Area Directors are speaking to the clubs about renewals.

#### **DCP Goals**

All the success plan has been reported in the December Area Governors reports of visits to TMI.

Now the plans is to carry it out by the clubs and members.

#### **Club Officer Training**
