# REPORTS | DISTRICT EXECUTIVE

# DISTRICT EXECUTIVE | CLUB GROWTH DIRECTOR

## Introduction

With the March renewals just over, we can see that the District has had a significant decline in members with subsequent impact on club numbers.

With the continued post-COVID impact for the year to date, clubs have difficulties in attracting guests and converting them to members, as well as members electing not to attend meetings and to indicate that they do not intend to renew their membership.

## Club Composition & Strengths

The following table shows the District and Division composition, membership numbers and club strengths as they currently stand (Updated at 28<sup>th</sup> April 2023).

Table 1: Summary of District 17 Division Composition (Updated at 28th April 2023)

								<b>Summary</b>	<b>Base</b>	<b>Current</b>		
								<b>Payments</b>	2377	1835		
								<b>Paid Clubs</b>	68	52		

## Member Numbers

We currently have 750 members including multiple club members separately for all their clubs, which is a drop from 973 before the March renewals.

Hopefully we can grow member numbers during the remainder of the year to offset the number that we lose at the March renewals.

## Membership Payments

The October & March renewals are key points for membership numbers and club strength within the District and in both October and March, there were a large number of members who did not renew, either with any club or reduced the number of clubs that they are members of.

Given that we currently have 1835 payments, which is a drop from the annual base number of 2377. It is noted that about 81% of the total membership payments are from renewed membership and the remaining 19% is from new membership.

The big challenges for the remainder of the year will be membership growth for existing clubs and to find resources within the District to support clubs in meeting this challenge.

## Paid Clubs

The number of Paid Clubs with Active status (i.e., eight or more members paid for the renewal period) is currently 52 clubs against a base of 68, which includes 8 clubs with no renewal and 8 clubs at the status of either Ineligible (less than three renewing members) or Low (i.e., paid member count is fewer than 8).

The following clubs have zero member at the start of April 2023, which have recently elected to dissolve or decided to late last year, but they were included in our list of clubs at the start of the year:

1. Curtin GSB Club (0 member, ineligible)
2. Professional (0 member, ineligible)
3. 235 Toastmasters (0 member, ineligible)
4. Cannington Communicators (0 member, ineligible)
5. Southern River Toastmasters (0 member, ineligible)
6. Victoria Quay Club (0 member, ineligible)
7. Byford Toastmasters Club (0 member, ineligible)
8. Kwinana Toastmasters (0 member, ineligible)

In addition, there are other clubs with very low numbers, who are at risk of potentially failing. With the following clubs being of particular concern due to low member numbers, though most had been actively working to increase numbers:

1. OMTID Toastmasters (2 member, ineligible)
2. Applecross Toastmasters (3 members, low)
3. Events Hub Toastmasters Club (5 members, low)
4. Heritage Towns Toastmasters Club (5 members, low)
5. Currambine Toastmasters (5 members, low)
6. Perth Rainbow Toastmasters (6 members, low)
7. Perth Justalk (6 members, low)
8. Aspiring Leaders (7 members, low)

On a positive note, there are currently 6 clubs at the Charter Strength with more than 20 members. In addition, there are a few clubs with club members close to 20 some of which hopefully will reach Charter Strength by the end of June 2023.

We are also working on some new club leads including the following:

- Synergy Corporate Club
- Western Power Club
- Vocus Club
- Indian Society of WA Clubs

## District Officers

We have struggled during the year to fill some key roles, and this has had a negative impact on the ability to deliver on what we had originally planned.

With each Division, missing a least one Area Director, the Division teams have done a great job in getting all the contest completed during the year, as well as covering as many clubs as possible across the Area's with missing Area Directors.

## Finance

A lack of resources at Toastmasters International to support the Finance Team, and significant delays in information being available, has resulted in Financial Reports that are effectively misleading and while the team has spent less than was planned, there are costs that do not currently show in the Financial reports that we currently have available.

## Speech Contests

Toastmasters International has provided the District Executive Committee (DEC) with the choice of hybrid contests or online contests for Area, Division & District Contests, and at the first DECM it was voted to adopt the following:

- Area Contests – Online
- Division Contests – Online
- District Contests - Hybrid

However the lack District resources, both from the District Team and the clubs to deliver a hybrid conference (TI requires that parts of the Conference are hybrid), led the Trio to make the difficult decision to host the contests as well as the other parts of the Conference online.

## Current Priorities

The current priorities for the District Team are to finish the year as strong as possible and help set up the incoming team for success, by concentrating on the following:

- Hold successful speech contests
- Hold the District Council meeting
- Continue to support current clubs

## DIVISION | EASTERN

<b>Division:</b>	<b>Eastern</b>	<b>Date:</b>	15 April 2023
<b>Educational Awards</b>	19 clubs In Eastern Division – Possible Awards – DistinguishedX2, Select DistinguishedX2, President's DistinguishedX1		
<b>Membership</b>	Many clubs are in a catch 22 situation. Visitors attend and at semi annual time members leave – very distressing		
<b>Distinguished Club Program Goals</b>	DistinguishedX3		
<b>Club Officer Training</b>	Round one – Five clubs Achieved, Round two – One Club Achieved. Only one club Victoria Park achieved both rounds		
<b>Contact with Area Directors</b>	Area (11), (12), 13 did not have an Area Director leaving only one (14) an Area Director		
<b>Contests</b>	Six Clubs did not hold contests Eight Clubs held contests or put forward a contestant(s) All four Areas held contestants		
<b>Clubs</b>	Events Hub and Applecross – fragile Perth Rainbow – fragile. Cannington Communicators – not listed Heritage Towns – fragile. Swan and Mundaring each have eight members		
<b>New Clubs</b>	Unknown		
<b>Successors for Director Roles</b>	Unknown		
<b>Other Information/Comments</b>	Areas not having Area Directors make it very difficult to asses the health of clubs or even know if there are any problems in clubs

## DIVISION | NORTHERN

<b>Division:</b>	<b>Northern Division</b>	<b>Date:</b>	15 <sup>th</sup> of April
<b>Educational Awards</b>	<p>N21 – 2 x clubs (Butler and Northern Gourmet) are doing well educational goals, however other 3 clubs (Northern Lights, Sandgroppers and Currambine) will need to encourage their members. We will need to actively encourage members to pursue goals before the end of the year.</p> <p>N22 – 3 x clubs (Noranda, Stirling and Aspiring) are doing well in their educational goals, will need to encourage members from Mt Hawthorn to complete educational goals.</p> <p>N23 – 3 x clubs (UWA, Talkabout and TLI) are doing well. UWA College row will need to be encouraged to pursue their educational goals.</p> <p>N24 – Aspire are on track to completing educational goals. Water Corp and Banksia to be encouraged as none completed.</p> <p>Overall, we will need to focus on our educational goals and have a big push towards the end of the year.</p>		
<b>Membership</b>	<p>N21 – Sandgropper and Butler have grown in membership, however Northern Lights, Currambine and Northern Gourmet have dropped below their base number.</p> <p>N22 – Mount Hawthorn and Aspiring member numbers are holding as the same as the base. However all other clubs have dropped in member numbers compared to their base.</p> <p>N23 – Talkabout have had significant growth. All other clubs are greater than or just under their base.</p> <p>N24 – All clubs are greater than or equal to their base numbers, showing strong membership numbers.</p> <p>During this year we have had two clubs suspended in the Northern Division. It will be interesting to understand if members holding multiple club memberships are consolidating the number of clubs they belong too, hence impacting member numbers.</p>		
<b>Distinguished Club Program Goals</b>	All clubs will need to push between now and the end of the year to influence attaining the goals. We will focus on this as we approach the end of the year.		
<b>Club Officer Training</b>	Most clubs attended the first round of training, there was a significant drop in the second round. There is not much more that can be done here for this year, except to analyse why this happened and put actions in place for next year.		
<b>Contact with Area Directors</b>	Regular meetings/comms online, email and through whatsapp.		
<b>Contests</b>	All area contests are complete.		
<b>Clubs</b>	Clubs could benefit in coaching and promoting Pathways. Pathways seems to be a challenge for a lot of clubs and it may not suit every individuals needs. For example, depending on whether members are working or not (eg if they are retired), they may gravitate towards or away from Pathways.		

<b>New Clubs</b>	Not aware of any new clubs to be created. Focus needs to be on making existing clubs stronger.
<b>Successors for Director Roles</b>	To be discussed in further detail with my Area Directors at our next meeting.
