Club Education Status

154 members from 37 club have lodged a total of 217 awards.

Education Goals

This year, the district has been set goals to reach Smedley Distinguished status.

To achieve this, we need to reach these targets:

- Clubs in good standing – 59 (up from 51)
- Distinguished Clubs – 31 (up from 25)

As at 21 November we have 1,192 payments (on track), and 55 clubs in good standing. We need a minimum of 56 clubs in good standing to reach distinguished.

2024-2025 Program Quality Director

DISTRICT EXECUTIVE | DISTRICT DIRECTOR

First of all, I would like to thank all of you, our district executive committee members, for your commitment and dedication to serving District 17 during this special centenary year in Toastmasters history.

This year, District 17 has set an ambitious yet achievable goal to attain Smedley Distinguished District status, the highest award for districts globally who have exemplarily fulfilled the district mission on building new clubs and supporting all clubs in achieving excellence. To achieve this, we need to meet the following targets:

- **Clubs in good standing:** 59 (up from 51), including 4 clubs back in good standing and 4 new clubs (Refer to the CGD report for details).
- **Membership Payments:** 2,200 (up from 2,034).
- **Distinguished Clubs:** 30 (up from 25).

After the renewal period ending on September 30th, our district achieved top ranks (no 1 and 5) in the membership payment goal and the club retention goal out of 130 districts globally.

- We have 55 paid clubs in good standing out of 57 active clubs. Notably, two clubs increased their membership base back to good standing, two clubs were successfully rebranded, and one new club, Electric Toasters, was chartered at the end of September. Several prospective new club leads are progressing well for planned formal charter in the first half of 2025.
- We have achieved 1,192 membership payments, putting us in a strong position for the April 2025 renewal. Over 80% of existing members have renewed, with 118 members renewing for a full year to September 2025. Additionally, we have welcomed 226 new members to Toastmasters.
- For the distinguished club number goals, our district has excelled in the administrative goals, including timely club officer list submissions and membership renewals. We had a great turnout for Round 1 COT, and with the upcoming Round 2 COT attendance, the majority of our clubs will have achieved at least these two goals. With the new Base Camp program launch and the prospective member management tool announcement, we expect significant boosts in the six education goals on pathway educational awards and the two membership goals on 4+4 new members.

Based on the updates on the distinguished club status by the end of 2024, dedicated district initiatives and campaigns will be developed to help our clubs achieve distinguished club status in the first half of 2025.

Summary of D17 activities and upcoming plans as of Nov 2024:

1. Held the first DECM and DCM online meetings with targeted training components delivered together.
 - **District Executive Committee Meeting (August 31st, 2024):** Conducted online with one training session by the trio sharing key learnings from District Leader Training and International Convention.
 - **District Council Meeting (September 15th, 2024):** Conducted online with two training sessions on District 17 Meetup intro and membership renewal.
2. Developed, submitted, and implemented various District Strategic Plans (District Budget, District Success Plan, District Marketing Plan, Communication Plan, etc.) after being voted on at the first DCM and sent to TI. Progress is being tracked.
3. Setup regular catch-ups with TI support and past D17 District Directors.
 - Continued fortnightly catch-ups with D17 district coach Kaylene Ledger to track progress towards the district growth plan.
 - Attended monthly Region 12 District Director peer calls, including 5 Australian and 2 New Zealand districts, organized by Region 12 Advisor Stephen Budai, with attendance by Region 12 International Director Monique Tonna.
 - Kicked off quarterly Past District Director (PDD) Committee meetings.
4. Successfully conducted Round 1 club officer training sessions with excellent feedback, led by our PQD Tom Bielski.

5. Progressed well on the upcoming District 17 conference in May 2025, led by our PQD Tom Bielski and Conference Chair Mina Cho.
 - Confirmed the conference dates and venue.
 - Progressing the overall agenda and keynote speaker invites.
6. Successfully organized and delivered multiple district events, led by our CGD Maree Pickens:
 - Centenary celebration at His Maj (organized by St George's toastmasters club).
 - Trivia Night event (organized by Aspire Toastmasters club).
 - Corporate Forum (organized by CGD with support from Leonor Ragan and other CGD team members).
7. Successfully wrapped up our Go for Gold campaign and launched our Pentathlon campaign, led by our CGD Maree.
 - Conducted trio visits to the Go for Gold campaign winning clubs in Sept 2024.
 - Launched the Pentathlon campaign for 15th Sept - 7th Dec 2024.

Upcoming activities in the next 2-3 months:

1. Monitor WHQ reports on how the clubs in your area are tracking in the DCP.
<https://dashboards.toastmasters.org/Club.aspx?id=17>
2. Reach out to clubs for end-of-year congratulations on their achievements and encouragement for achieving Distinguished Club status in the first half of 2025.
3. Encourage club officers to sign up for one of the upcoming Round 2 COT sessions.
4. Follow up with semi-annual clubs for their election and submission of updated club officer lists (currently 2 out of 9 semi-annual clubs have submitted their updated club officer lists).
5. Reflect on any lessons learned from the first 5-6 months of 2024 and plan ahead for the next 6 months in 2025. For example:
 - Take lessons learned from Round 1 AD club visits finishing up by end of November into upcoming Round 2 AD club visits (starting in late-December 2024 and finishing by end of May 2025).
 - Apply best practices from the Humorous and Table Topic speech contests finishing up by end of November to the upcoming International and Evaluation speech contests in the first half of 2025.
6. Consider your continued district leadership journey following the nomination announcement in December 2024 (led by our District Leadership Committee chair Ian Pickens IPDD and his committee members) for the next Toastmasters year 2025-2026.
7. Find and nurture aspiring leaders to shadow or delegate your role in the next 6 months in 2025 for smooth succession planning.
8. Consider taking up a club coach role for eligible clubs with no more than 12 members to receive your club coach credit before the end of June 2025. Contact our district coach coordinator Ross Wilkinson for more information.
9. Consider taking up or finding club sponsors or mentors for prospective new club leads, such as existing prospective club leads or new leads from the corporate forum.

Once again, thank you all for the great work we have achieved together in the first 5 months during this special Toastmasters centenary year. What we have accomplished so far lays a strong foundation and builds our confidence in achieving Smedley Distinguished District status by the end of June 2025.

Other Information or Comments

The Southern Division is fortunate to have a strong team and several thriving clubs, forming a solid foundation for success. Our focus has been on supporting clubs that may be facing challenges, ensuring they have the resources and guidance needed to grow and succeed. It would be wonderful to pair struggling clubs with more successful clubs as sister clubs. This partnership could foster mentorship, sharing of best practices, and mutual support, giving the less experienced clubs a model to strive towards

Equally important, we've celebrated the achievements of our members and clubs, including milestones such as Triple Crown awards, meeting educational goals, and progressing in the Distinguished Club Program (DCP). Recognising these accomplishments motivates and inspires everyone to strive for excellence. Together, we continue to build a vibrant and supportive Toastmasters community.
