Introduction

The October renewals period was not as strong as we had hoped and this is apparent in our current Club Status and Membership payments.

Club Composition & Strengths

The following table shows the District and Division composition, membership numbers and club strengths as they currently stand.

	Members		Total No of Paid Clubs		Club Strength				
					Suspended	Ineligible	Low	Under strength	Charter +
	Base	Current	Base	Current	Current	Current	Current	Current	Current
Central	213	182	14	12	1	1	1	8	4
Eastern	187	158	13	11	0	0	2	9	2
Inner City	186	159	13	10	1	2	1	8	2
Northern	186	193	13	12	1	0	1	9	3
Southern	240	207	14	13	1	1	0	10	3
Western	206	186	15	14	0	1	0	12	2
Total	1218	1085	82	72	4	5	5	56	16
								72	

The October & March renewals are key points for membership numbers and club strength within the District and there were a large number of members who did not renew, either with any club or reduced the number of clubs that they are members of.

The number of Paid Clubs is currently 72 clubs against a base of 82, which is a significant decline. In addition, the number of Charter Strength clubs has dropped from 22 to 16.

The following clubs have recently elected to dissolve or decided to late last year, but they were included in our list of clubs at the start of the year, these clubs may show as either Suspended or Ineligible:

- Armadale
- Electrical Toasters
- Energy Club
- Geraldton
- Gosnell Foothills
- Meeting Procedures
- Stanley College

There are also a couple of other clubs with very low numbers, who are at risk of potentially failing, but we are working with this clubs to assist them to build their membership strength.

On a positive note, we are working to establish a number of new clubs and some of these are likely to charter either by the end of the year or early next year, these prospective clubs include:

- Synergy Corporate Club
- PTA/DMR Corporate Club
- Off The Cuff

We are also working on some leads including the following:

- Amazon Corporate Club
- Energy Club with Society of Petroleum Engineers

District Success Plan Status

The District Trio produced a comprehensive District Success Plan, which was approved at the District Council meeting.

In terms of the goals related to Club Growth, the table below shows the current status against these two goals.

	Base	Current
Paid Clubs	82	72
Payments	2773	1213

The big challenges for the remainder of the year will be grow membership numbers for existing clubs and to find resources within the District to support clubs in meeting this challenge.

Due to the popularity of the all day session in Round 1, two all day sessions are scheduled for early in 2022. The actual workshops being presented at this session are still being decided.

It is hoped that training will take place in Kalgoorlie and the South West, however the planning for this is in the hands of the relevant Area Director with the support of their Division Director.

Division & Area Director Training

Three training sessions have been run for this year's Division and Area Directors, two in person ones (June and July) and an on-line one in August. Only one Area Director was unable to attend the training.

The following workshops have been held:

Due to initial budget constraints most of the planned in-person workshops for 2021 were cancelled.

However, as funds have become available the following workshops have been scheduled:

30/1/2022	Introduction to DiSC – Leadership & Communication Techniques	Bentley
1/2/2022	Online Facilitation Skills Workshop	Zoom
26/2/2022	Leadership & SMAC (Sponsors, Mentors & Coaches) Workshop	Bentley

2	19
3	9
4	7
5 - Distinguished	1
6	
7 – Select Distinguished	3

It is good to see that a number of clubs are very close to the Distinguished level with 7 months to go.

Vision & District Success Plan

With the development of the District Success Plan, we have established the following vision:

The general Western Australian community will be aware of the District and Toastmasters and know us as a place to go to improve their communication and leadership skills. The District will have established a strong base of thriving clubs, generating members who want to be in and compete for all leadership roles.

With development of this vision we can operate with clarity and with purpose. It is a vision that is exciting and will require a lot of development and work to realise.

One of the important initiatives that has come out in the District Success Plan is to establish a goal to develop a longer-term outlook strategic plan for the District. This will enable us to plan for the next 5 years and develop initiatives that will have a long term focus.

As we are coming out of the turbulent period of Covid we are working towards plans to support clubs to rebuild and return to charter strength. With many clubs with 12 or less members clubs they remain vulnerable without immediate support. We have also had several clubs close recently as the members at the club were not in a position to keep them going. Whilst this is disappointing to see it sometimes is inevitable when clubs are reliant on several crucial members to hold the club together and when these members need a break there is not sufficient support to continue with the club.

At the same time we are working on the establishment of new clubs and with the development of new clubs resources are being used to support these initiatives.

District Officers

Since the last District Council Meeting we received the resignation of the Finance Manager, Dan Franks.

We welcome the appointment of the new Finance Manager: Saman Perera.

Club Rebuilding Initiatives

The District Leadership team have attended many clubs meetings over the last few months. Whether it was for an Open House, Anniversary Meeting or Speechcraft Program it is great to see clubs taking on the important steps to recruit new members into their clubs.

District Conference & Contests

District 17 Trio met with the Conference Chair recently to work through the logistics for the 2021-2022 Conference.

The greatest challenge we face is that Toastmasters International has only provided the District with 2 possible options for the conference: to be held online or in a hybrid format.

The other uncertainty we face is the fact that the state borders have not reopened and with no clear plan in the next 6 months it will be very challenging to invite interstate or overseas speakers without significant quarantine and costs associated with it.

We have decided upon the following format for the conference:

Date	Time	Mode	Topic	Notes
14/5/22	Morning	Online	Keynote Address	
14/5/22	Afternoon	Online	VDCM	
15/5/22	Morning	In Person	Humorous Contests	Broadcast
		In Person	Table Topics	Broadcast

	Afternoon	In Person	Evaluation Contest	Broadcast
21/5/22	Morning	Online	International Contest	
	Afternoon	Online	Workshop	
	Evening	In Person	Gala Dinner	

Contests

The District has seen the return of all Area and Division contests for Humorous Speech and Table Topics back to face to face formats. It is so great to be able to interact with members and see so many talented speakers in our district.

It has been wonderful to see all the Division Directors, Area Directors, Club leaders all work together to put these events together. By having these events it will help strengthen and develop the culture in the District.

Support for Clubs

We have several clubs request for Club Coaches. The district is in the process of recruiting Club Coaches to support these clubs.

Club Officer Training

All clubs apart from 3 Clubs in Area E-12 (Cannington Communicators, WA Speakers Bureau & Curtin Toastmasters Club had low attendance and their participation was less than 4 club officers, who attended COT. We are trying our best to encourage Club Leaders to attend the upcoming club officer trainings in February 2022 sessions.

Contact with Area Directors

Currently Eastern Division Leadership Team includes me and Area Director E-11 & E-12. Area Director E13 role is still vacant, and I am performing this role too. In the absence of Area Director E13, I am trying my best to personally visit and support clubs in Area E13. I have been in contact with my Area Directors, and we try our best to communicate and update on club contests, club visits and district council meetings.

Contests

All Areas E-11, E-12 and E-13 and Eastern Division final Humorous and Table Topics Contest have been completed. Thanks to District Leaders (Tim Blackburn, Julie Dall, Gavin, Henry Yao, Mina Cho and many other Toastmasters for their support and continuous assistance in successfully completing the contests.

Clubs

It is encouraging that Victoria Park has added 6 new members, which is a commendable achievement. Touch of Gold, Sunday Sundowners, Cannington Communicators & Curtin Toastmasters too have done very well to increase their membership. Currently, Swan Toastmasters, Cannington Communicators, and Heritage Toastmasters are at their base membership level. The two advanced clubs DTM Pathways and WA Bureau Speakers has less than 9 members and are not in good standing.

New Clubs

In addition to existing Touch of Gold Club, a possibility for potential of opening a new club in Kalgoorlie was shared by the visiting Toastmasters. In this regard, our District Club Growth Director, myself, and Area Director E-11 Carole Bruce are talking necessary steps to assist the team there. We have planned a visit date of 12 & 13 February 2022 in coordination with Touch of Gold Toastmasters and I hope we may have process on this during our visit to Kalgoorlie.

Successors for Director Roles	I recommend Ronnie Giandzi as potential candidates for Eastern Division Director role, and she is willing to take Division Director role in the next year. Elaine McGrath from Speak Easy Toastmasters may be the one of potential candidate for upcoming Area Director roles.

Lessons Learned from Contests

(Please provide any feedback / lessons learned from your contests)

Very few members entering contests - more new members could participate as table topics respondents; being humorous is not so easy though ! There are plenty of challenges to surmount for in person Area Contests - gaining commitment of club members to attend / assist at the event - noticeably smaller events compared to pre-Covid times; NB running in person versus online contests each have their own challenges

If there is a need for help, then make an early request for members in the Area for assistance to plan events Draw on the network of TM in the Area / Division / District for assistance to run events

Be prepared to give back as well - be willing to volunteer to assist other leaders to run their events

Success Stories
