Membership in each Club last year and this year

New Members

- Area C1 74 Members.
- Area C2 55Members.
- Area C3 47 Members.
- Area C4 39 Members.
- Total of 215 New Members since 1 July 2012

The Membership results this year is fantastic and continues to increase. By the end of June I anticipate that two or three more clubs will reach the magic 20 memberships. Only three out of 22 are under charter strength. As of 12 June 2013 the Central

Division Membership is <u>458</u>. Majority of clubs are enjoying the benefits of having strong membership, i.e., fun meetings.

<u>Contests</u>

Many Congratulations to: Robyn Lloyd Winner of the District <u>Humorous</u> Contest and Steward Hoare Winner of the District <u>Table Topics Contest</u>. Well done!!!

Successors for Governor Roles for 2013-2014

Alex Grossman Area C1, Paul Hutchinson Area C2, Henry Yau Area C3, Cole Vindevoghel Area C4 Charles Fisher is my Successor as a Central Division Governor. Congratulations and we wish them all the best in the upcoming year.

Other Information/Comments

I requested from the Central Division Area Governors to submit individual reports and concerns from all their areas for the benefit of the upcoming officers.

Area C1

- Terrace 20 members SD
- Northbridge D
- G/Durack SD/PD potentially

Concerns:

 Riverside club will require attention in the new year as longstanding members move on.

Regards, Martin.

Area C2

Concerns:

- AECOM Leonor and I give support to the club during very difficult times in March. Following AECOM' request for additional District support to inspire and further educate club members, by the end of June the club will have received three educational visits from experienced Toastmasters. My successor and Division Governor may wish to follow up regarding the success of these visits, and solicit future guests if the club would like to continue the educational presentations.
- Perth JusTalk President Amie Thorpe recently presented an educational on club officer roles last meeting in preparation for their elections, and received a good response. The club has had several guests this year, and now has a membership of thirteen. This is all good news, as the club has struggled this year, and their President feels that the club is going from strength to strength. The club will continue to benefit from District support.
- New clubs Bankwest Risk Division is keen to set up a new club. Leonor Ragan and I met with two of their staff on 11 June, and they are now taking steps to secure company sponsorship and establish a core group of committee members.

Cheers, Anita

Area C3

Great overall outcomes, thanks to the individual clubs' efforts.

Congratulations to City of Perth, Electric Toasters & Matilda on achieving Select Distinguished Club status!

Rising Stars is very close to achieving distinguished status, pending meeting the membership goal and another goal West End has been working very hard on recruiting more members and seems to be reaping some rewards in recent months, which is very encouraging.

Concerns:

- A few notes for 2013-2014 Area Governor: Matilda is still very young, with a very modest membership (11). Membership will be the top priority of the new TM year. A Club Coach will be required. The Club is currently meeting monthly, but considering going fortnightly, pending members' interest. The Club's key strength at present is that all members are 'dual', experienced and dedicated Toastmaster.
- Both Rising Stars and West End would benefit from having a few more members to help with the clubs' growth and development. Both meet fortnightly on Wednesday, during lunchtime (same time and day, different venues). Promotion strategies may need to take this into account, as both strength and a potential limitation.
- Electric Toasters, although is a very strong and vibrant club, may need ideas and tips on improving rates of AC and AL award completion. Kind regards, Hanh

Area C4

The area has some great successes and some less successful results. C4 is a Distinguished Area

We have a new club - Curtin GSB Sundowner - Founders Leonor Ragan and Thierry Morel. Congratulations.

Currently we have 3 Distinguished Clubs - Curtin GSB (Select), Water Corporation (Select), and Plain Speakers (Distinguished). 3 of our 6 clubs have 20 or more members - Curtin GSB, Plain Speakers and Water Corporation

Robyn Lloyd from Plain Speakers won the District Humorous Speech Contest. Tom Bielski from Plain Speakers was 3rd in the District Table Topics Contest

If we have another Distinguished Club, the Area will be President's Distinguished. The Division Governor and I are confident that Curtin GSB Sundowner will be a Distinguished before June 30 and therefore C4 will be President's Distinguished.

Concerns

We had a major problem with Healthy Toastmasters where the President decided the club should close down. Thanks to Leonor Ragan, who was fortunately the Club Treasurer, I was able to put together a rescue package and Banksia Speakers is now getting ready to function actively in the new year. We have only 6 members just now, but we expect the club to grow steadily.

Recommendations for my successor

Club Officer Lists - 3 clubs have lodged theirs. 3 haven't yet - CPA, Water Corporation. I have sent an email to the current Presidents and VPs Education. You should follow these clubs up. I can supply contact details for the current Presidents.

Club Officer Training - TLI. I have sent emails to all clubs reminding them of the training dates. I suggest this be followed up.

Club visits - I suggest the first visit to clubs be made as early as possible in July and August. Clubs are used to visits. I don't expect any difficulties in arranging dates with them. Area Contests - organising these should not be your major activity. Finding out how clubs are progressing from the visits and the DCP reports of membership and awards should be your major preoccupation.

Banksia Speakers - keep a careful note of how the club is progressing. Suggest the club acquire two strong coaches to help it grow.

David Nicholas DTM C4 Area Governor

b. Northern

The year is drawing to a close – but it's not over yet, not until the flag falls. We have 3 weeks to complete our goals for the year and begin the transition of "Passing on the Baton" to the torch bearers of 2013/14.

<u>RE Leadership during 2012/13</u> : I am very proud of the character and leadership that has been exhibited by the Northern Division. A special thank you to my Area governors for stepping in the brink and been an integral part of the success we have experienced. Thank you for your time, efforts and contribution. I value each one of you – dearly.

N21 – Sue Fallon (Europe til 2nd week July) New Northern Division Governor elect

N22 - Jeff Oliver - taking a break from TM leadership - well earned

N23 - Gladys Lavell- Serving at Club Level in multiple clubs

N24 – Charles Fisher – New Central Division Governor elect

Met: Saturday 8th June 2013 – final meeting and thank you for 2012/13

In General: I feel that most members (new and long standing) within the Northern Division have stepped up in their own way and helped others progress to their next sphere of influence. If they in turn also plan 2 years head the leadership pool should be healthy and vibrant.

Below is a snapshot of the current situation in Northern Division, as at 05/06/13. There will be a few more manuals completed and lodged in the final 3 weeks.

Summary: Some of the highlights and I see them:

- ✓ Clubs focusing on members and their experience (inspirational)
- ✓ Many clubs across the division new members (eg through raising their profile on the web to drives & fetes)
- ✓ New Gourmet Club never ventured before in N/Div
- ✓ Great quality of speakers in N/Div displayed at Convention
- ✓ Members meeting their personal goals during the year
- ✓ Contests from organising to competing well done
- ✓ Training encouraging to see the eagerness of members to part take and step into their responsibilities, while encouraging others to be involved as well
- ✓ Meeting a versatile and beautiful network or people that make our live richer
- ✓ Constantly working hard for those who are unaware of the effort that goes on behind the scenes to keep the ship navigating its true course
- ✓ I have been blessed to see the hearts of many members reaching and attaining progress in the goals to over come hurdles in their lives. It has been humbling to be apart of it and this has made the year a success in my eyes

I am very proud of the members through out the northern division. All have contributed to the current success of the area and its future. Struggling clubs have moved forward during the year and others have gone on from strength to strength. Thank you to all of you who have been apart of this year – I trust you benefited from your involvement and contribution either through your own learning path or seeing your efforts benefit and help others grow.

Thank you to all those who helped through the year with assisting in organising events (eg contests, catering etc) and being a part of something bigger than themselves. It has been a joy to work with such a great cross section of people and be apart of something wonderful. When visiting clubs I have been encourage by the talent and diversity of members who together keep Toastmasters a thriving entity and the eagerness with which people want to help others.

There will always be challenges and concerns, but it is how we rise to these challenges, that make us the people/members/organisation we are. Well done to you all. It is a team effort and thank you for your contribution.

Let us continue to grow in spirit, understanding, diversity and skill in the years to come, while always considering those around us, contributing to their constructive learning experiences. I trust we stay focused on the members experience as we journey on through time..... I hope that Peace, Strength, Wisdom and Love be the pillars that sustain and forge the years ahead.

It has been an honor and a privilege to serve with you all – thank you. All the best for 2013/14 and beyond.

Be Blessed as YOU Bless Others Bronwen Jones Northern Division Governor 2012/13

Firstly I would like to say thank you for the opportunity to be Southern Division Governor for this past year. It has been an honour and privilege

To serve the members and District 17. It has also been a pleasure to work with such a great District leadership team. Thank you all.

I am pleased with the overall result which has seen an increase in membership of 28 members and two new clubs formed which now total 25.

There are four clubs that require attention to due membership numbers in single digits.

Those four clubs are

Cannington Communicators 10 members down to 7 in S33

Margaret River 14 members down to 8 in S34

Phoenix 10 members down to 8 in S34

Madison 20 members down to 6 in S35

Two of these clubs are in S34 which would indicate they need assistance from an Area Governor.

I wish the incoming team well for their new year in office and thank all those that contributed to my term as SDG.

Regards, Allan Burt SDG 2012-2013

c. LG Education and Training

My LGET Trajectory and Goals for 2012/2013 was to;

- Plan and implement two quality sessions for both district officer & club officer training.
- Encourage all clubs to achieve a minimum requirement of Distinguished Club Status.
- Oversee all aspects of the District Convention Contests and workshops.
- Plan and run five to six independent workshops during the current financial year.

In review, several of these goals were met, others are reaching their conclusion or are still in progress

Toastmaster International Convention ORLANDO - District Executive Training

The Lieutenant Governor Education & Training conducted focused on the following guidelines:

- TMI's current theme Back To Basics, focusing on the individual member.
- Promoting and implementing the four core values as a scale of measurement to evaluate the success of the individual Toastmaster, club, area, division & district.
- Running a successful District Convention with specific attention on both contests & workshops.

These guidelines were maintained with several challenges and learning curves along the way.

Toastmaster Leadership Institute - District Officer Training

The TLI Training Group (formerly Marketers) focused on both mid year and January District Officer Training. Both sessions were very successful with the majority of our District Officers trained.

The following areas were addressed for the benefit of all area and division governors

- Implementation of the four core values scale of measurement.
- Responsibilities & parameters.
- Evaluation and assessment of the roles so far.
- Troubleshooting including identifying challenges and implementing resolutions.

Toastmaster Leadership Institute - Club Officer Training – February 2013

The TLI Training Group took on a mammoth project with the restructure of the Toastmasters Leadership Institute Training. Last year, majority of club officers requested longer club officer breakout sessions. This year these sessions were doubled to a hour in length. Each group had 2 - 3 presenters delivering educationals relevant to each group. Feedback was very positive with another request to lengthen Club Officer Breakout Time by another half hour for next year.

Both COT sessions was extremely successful based on the feedback of attendees. We focused on the responsibilities and requirements of each of the seven club officer roles. This year there were more Club Officer Handouts in both sessions including Checklists and educational handouts. There were workshop handouts. In the 2nd session Contest handouts including the 2013 Contest Rule Book, Checklists and Contest rule amendments. Unfortunately our printing costs far exceeded our budget. I will acknowledge and thank S35 Area Governor Graham MacDonald, who organised free printing via the City of Cockburn's Community Centre. Half of the printing for TLI's second session was covered. The breakdown of their printers resulted in having to go back to our regular printer (at cost) to complete the remaining printing

The request for club officers to register with their choice of one of three available sessions met with resounding success. The first session - 279 Club Officers trained (63.26%) out of 441. 51 out of 63 clubs at least 4 officers trained (80.95%). The second session - 264 Club Officers trained (58.82%) out of 455. 49 out of 63 clubs at least 4 officers trained (75.38%). Several errors in logging on Club Officers trained have since been identified and corrected.

The overall evaluation assessment was 38% Excellent, 42% Very Good, 15.33% Good, 4.67% Fair.

Our goal is to repeat this success in attendance, feedback and delivery of high quality information.

Distinguished Club Program – Educational Awards

Central, Northern & Southern Division are still progressing on the lodgement of awards; It is worth remembering that there is always a large influx of awards been lodged every June leading up to the end of financial year.

• CCs (116), ACs (60), L/AL (106), LEX (10) with 11 DTMs at the time of writing this report. – Congratulations to the following DTMs, in order of their lodgement, John Pawley, Trish Rice, Peter Jordan, Robyn Lloyd, Ross Wilkinson, Jon Roberts, Leonor Ragan, Greg Madden, Martin Lindsay, Pascale Amberville-Colby and Judith Allen.

We have been encouraging all clubs to achieve Distinguished Status as the minimum benchmark. We expect more clubs to achieve Distinguished Status in the June with more awards to be lodged.

- President's Distinguished Congratulations to Victoria Quay, Canning Vale, Armadale – (10), (9) Noranda, Gourmet Guns N' Roses, Durack, Gosnells Foothills, Fremantle Gourmet, Southern River, Fremantle Gateway, Murdoch Southsiders and Applecross.
- Select Distinguished Congratulations to (8) Stirling and Northern Lights (7) - Young Guns, City Of Perth, Curtin GSB, Water Corporation, Electric Toasters, Matilda and Swan.
- Distinguished (6) AECOM, (5) Sandgropers, Project Managers, Kalamunda, Northbridge, Toast 2FS, Plain Speakers, Desperados, Maylands, Willeton, WA Governors.

At the time of this writing 32 Clubs who have achieved a minimum of Distinguished or more. Steady progress continues across all three Divisions. We expect these numbers to increase as we approach end of financial year. Well done to all those who have contributed to this success and made this possible.

District 17 Workshops

The following Workshops were conducted within the Toastmaster Year. The workshops were well attended and received positive feedback.

- Club Coaching Robyn Richards (November, 2012).
- Judging Protocols & Procedures & Contests Competing Presenting Rules –Ian Pickens (March 2013).

Division Contests

The Central, Northern and Southern Divisions ran very successful Humourous and Table Topics Contests in late 2012. The Internal Speech and Evaluation Contests run in April 2013 enjoyed similar success.

I will commend Central Division Governor Leonor Ragan, Northern Division Governor Bronwen Jones and Southern Division Governor Allan Burt for organising and running very successful Division Finals in both contests which were well attended and widely praised.

District 17 Convention

The Kings Perth Hotel was the selected venue for the forthcoming convention to be held 24th-26th May 2013. International President John Yau & Region 12 International Director 12 Mike Helm both present.

I would like to recognise our District Public Relations Officer Ian Pickens whose convention expertise and the substantial work is benefiting the convention. I will acknowledge our District Executive and all District and club officers and our Convention Chair Jeanette Edwards. Thank you to all who have contributed so much time and effort into making this Conference a reality and a success.

SUMMARY

The International District Executive Training in Orlando has offered much clarity and direction for the Education and Training to be conducted in District 17. It has been a challenging and rewarding year for Education & Training in WA. Both District & Club Officer Training Sessions have been extremely successful.

All West Australian TMs are now aware of requirement changes to achieve Distinguished Club, Area, Division and Districts status. The number of awards lodged so far has been phenomenal. The workshops achieved their goal in content and delivery. What has impressed me the most are the club officers, especially the Presidents and Vice President's of Education who have been in constant contact in ensuring all awards are lodged correctly and within toastmaster regulations. I have been humbled and inspired by the commitment of our members, our club officers and our district officers.

PAC moved LG Education and Training report be accepted, RR Seconded. Motion carried.

d. LG Marketing

District 17 is now at our Presidents Distinguished goal for membership payments. To achieve Presidents Distinguished status overall we now only need to charter **1** extra club.

Membership Building & Retention

Our membership payments to date are **2911** which is **98** payments over our President's Distinguished District goal. New members so far this year is at **701**, renewals are **2092** (1059 April Renewals) and Charter members are **118**. We hope the Charter Members figure will rise soon as another club is set to charter.

Membership Building DCP Goals

As of the June 14th reports, 61 of our 68 clubs have achieved the first membership building goal and 41 of these have already achieved the second. A further 3 clubs have added 3 new members and are closing in on the first goal while 5 of the clubs that have achieved the first goal have an additional 3 new members, therefore closing in on the second goal.

New members to June 14th are **701** compared to **497** at the same time last year.

Central – 219	2011 – 2012 - 213
Northern – 214	2011 – 2012 - 152
Southern – 268	2011 – 2012 - 209

New Clubs

After our successful demonstration meeting at *KPMG*, I expected this club to charter during February. I am working with the new committee to submit member's payments and charter documents before the end of the Toastmasters year. They have scheduled their first meeting for July 1, 2013.

Willetton Toastmasters is now chartered and has already reached Distinguished status. On April 17th we held a demonstration meeting at *URS* and there seemed to be quite a bit of interest. I have emailed Matt regarding this but at this stage I have not heard back. I will follow this up this week.

Curtin GSB Sundowner is now chartered.

David Nicholas has been working with Patrick from Seasons Funerals in Canning Vale regarding setting up **Canning Vale Storytellers.** He has just this week been told by Patrick that the manager who was on board has now left and the chance of a club is now not an option.

Maddy from *Workforce Development* has taken details of all the CBD clubs and the D17 website to give details to the interested staff members as there was not enough support to start a club.

David and Leonor had a meeting with a representative of *Synergy* and this is a possibility of a new club in the New Year.

Leonor and I met with Durga from *Centrelink* on June 5th and there is a possibility of a club here in the New Year.

I had another lead from TI this week from Stephen Clarke at SRK in West Perth. I have called and left a message when Stephen was in a meeting but to date he has not returned my call. I will follow up again this week.

Club Sponsors & Mentors

I have included below a list of club sponsors and mentors who are eligible to submit their application to have this awarded. I have contacted most of these previously without success of them submitting their award due to losing the paperwork. Although I gave them information to receive a copy of the original paperwork, they are still showing "Pending". I will contact all these members again in the next week to try again to have these submitted.

Club Coaches

Clubs with **12** or less members at this moment are Rising Stars, Perth JusTalk*, Matilda, Banksia Speakers, Subiaco Early Birds*, TLI Training Group*, Guildford Stars, Mundaring, Highgate, Cannington Communicators*, Margaret River, Phoenix* and Madison. (* Denotes a Club Coach has been appointed.) I am still on the lookout for other members willing to step up as Club Coaches.

I am happy to report that **3** club coaches are now showing "Awarded" as their club has achieved at least Distinguished status. Congratulations are in order for Martin Soh who coached Northbridge to Distinguished status, Michele Naidu who coached Gosnells Foothills to Presidents Distinguished status and Jeanette Farrar who coached Matilda to Select Distinguished status. Janette Edwards who coached Swan should be awarded this week as Swan has achieved Select Distinguished status. All four of these members are a credit to our District.

Re-alignment Committee

The Re-alignment Committee Report was presented at the DCM and I am pleased to report that our members voted to adopt the recommended alignment.

April Renewals

All clubs have now submitted at least the minimum requirement of April Renewals.

Graced Members

At this stage only unpaid members from ToastiES & Madison are showing as "Graced". The others have dropped off the membership lists however, after our last meeting, I forwarded the names to each Division Governor in order for them to liaise with their Area Governors and the clubs for follow up. I believe this did help as the April Renewals figure has definitely risen.

Conclusion

I am excited that we have met our membership payments goal and I am confident that KPMG will charter before the end of the year to give us our **1** new club required to reach Presidents Distinguished Status. Club coaches are being sought and appointed for clubs in need. The Re-alignment Proposal was accepted at the DCM and no April Renewals are outstanding. Follow was made with clubs regarding "Graced" members and the figure is much healthier.

It has been challenging and exciting this year in the role of LGM but it has been an invaluable experience that will see me in good stead for the next year. I feel very privileged to have been a part of this District Management team and wish to thank every member for your support, knowledge and guidance. I know we are on track to achieve Presidents Distinguished District Status in 2012-2013. It truly has been a team effort from a great team.
